

SmoothBand

A BETTER PATIENT ID SOLUTION WITH HEALTHLINKSOLUTIONS & XEROX

EFFICIENT | SAFE | CLINICALLY EFFECTIVE

*The SmoothBand features the ability to print wristbands and labels on **ONE SHEET** utilizing existing laser printers*

SMOOTHBAND SIMPLIFIES YOUR ADMISSIONS PROCESS.

Simply load the SmoothBand wristband media into any Xerox device, and admissions personnel can quickly and confidently print a complete admissions package.

The SmoothBand **expedites the hospital admission process** by simultaneously printing patient chart labels and the wristband on one sheet, streamlining patient admissions. Wristband can be immediately secured to the patient or patron as there is no assembly required.

XEROX CERTIFIED & APPROVED

The SmoothBand patient identification wristband and hospital labels can assist in patient identification to ensure every patient, drug, sample or blood unit is safely and properly identified through the hospital experience. SmoothBand provides instant identification of patient information.

From wristbands to privacy notices to consent forms— all can be printed on one Xerox device at the same time. The SmoothBand has been tested, certified and approved on a wide range of Xerox devices.
